PARIS OPERA DIAMOND

**MAISON ALBAR HOTEL  
SHINES IN PARIS ONCE  
AGAIN**

In the heart of the 8th arrondissement, a stone's throw from Saint-Lazare station, Palais Garnier and Paris' major department stores, the Opera Diamond is part of the history of Maison Albar, as a feminine and refined hotel. It is a true Parisian gem.

Open to the world and to locals, the hotel was designed to welcome travellers and Parisians, both young and old, from the sweet bar to the garden terrace.

From its bedrooms overlooking Paris' rooftops to the charm of its indoor patios, the hotel offers a touch of elegance and mischievousness for a new way to experience the French art of living: the signature of the Maison Albar Hotel brand.

**SPIRIT  
MAISON ALBAR HOTEL**

With the Maison Albar Hotel brand, "Family Home", Céline Falco (née Albar) wanted to bring her creations and their settings to life, and offer guests a unique experience.

**Each guest will enjoy a unique  
experience in a high-tech environment  
and in a personalised, designer  
atmosphere at an establishment which  
has lost none of its character.**

These 5-star boutique hotels passionately combine the know-how of the Albar family and their four generations in the hotel trade with the location's cultural imprint to immerse guests in the world of the Maison Albar Hotel.

## **MAISON ALBAR HOTEL PARIS OPERA DIAMOND**

Maison Albar Hotel has called on the expertise of the best French craftsmen to design accommodation with contemporary elegance.

Following expansion and renovation works in 2016, the new hotel now boasts 72 bedrooms for Parisians and travellers behind its beautiful Haussmann facade.

Alexandre Danan (EDO Consulting), a close friend of the Albar family, conceived and designed the new hotel.

### **"DIAMONDS ARE A GIRL'S BEST FRIEND"**

Inspired by the radiance, transparency and purity of diamonds, Alexandre Danan dreamed up a design to make the hotel sparkle.

The reception and bar merge, opening up to a refined lobby which leads to a patio with a garden fountain. It is a favourite among our regular guests when the weather is nice.

This multi-faceted 72-room jewel offers two different ambiances for the rooms: one with opulent black accents, and the other with radiant white ones.

The suites and Diamond Suite & Spa are fitted with hammam showers offering the benefits of chromotherapy.

All bedrooms are equipped with a walk-in shower featuring a rain shower system and integrated lighting.

**An exquisite and plush cocoon, the hotel was designed to offer moments of joy.**

Guests can enjoy breakfast on the patio, have tea in the sitting room, work out in the fitness area, savour sweet treats on a chaise longue or visit the bar for a cocktail or the sweet bar. There are so many delights to discover at Opera Diamond.
